The bay trotter Halletter, owned by C. L. Tillinghast of New Haven, was started in a field of ten in the 2:37 class on Thursday. Halletter had been driven over the road from Elm City park to Hyde park, where she arrived the day before the race, at the close of which she stood fifth in the summary, which did not entitle her to any part of the purse.

The trotter Star Boy, by Star Lambert, that was formerly in the hands of C. D. Smith when he was training horses at the Hubingers' track in this city, won the 2:32 class at Rockville in straight heats. Time, 2:28%, 2:27, 2:29. Star Boy was entered in the contest by George L. Lilly of Water-

The 2:28 class race was won in three straight heats by Winnie L. Time, 2:24%, 2:24%, 2:29%. These three heats were won under such a strong pull on the home stretch that it was evident the young trotter can beat 2:20 for three heats on a mile track. Soon after this race T. A. Lake, the owner, sold the horse to George Hall of the Adams house, Boston. A horseman, who was at the races, made the remark that the price was probably \$2,000. Frank L. Newton of New Haven offi-

clated as stanting Judge at the races. The Rockville fair is one of a circuit of fairs that are held weekly in different towns in this state, terminating at Stafford Springs on October 8, 9 and 10. This association, of which E. C. Dennis is president and C. B. Gary secretary, has for several yeras stood second of all the fairs in this state in regard to having the targest attendance. There are some indications that the Stafford Springs fair will be fully up to the standard this year.
